SRUN BORATH

WEB DEVELOPER AND MOBILE APP

ABOUT ME

I am a fourth-year Information and Communication Technology (ICT) student at the University of Puthisastra with a strong passion for programming and web development. I have hands-on experience building web and mobile applications using modern technologies such as React, Laravel, Node.js, and Flutter. I am a responsible, organized, and honest individual who enjoys solving problems and continuously improving my technical skills.

ACADEMIC QUALIFICATIONS

Bachelor of Information & Communication Technology |2022 - Present
- University of Puthisastra (programming)

General English Program | 2022 - 2024
- Stanford American School

ICT Professional Training Center | 2023 - 2025
- Web Development (Frontend, Backend, Full-Stack, UX/UI)

Tech Design Center | 2023
- Basic Computer (Word, Excel, and PowerPoint)

EXPERIENCE

ICT Center – Instructor 2025 – Present
- Teach Python programming (basic syntax, OOP, logic, Flask)
- Teach Web Backend Development (PHP, Laravel, MongoDB, jQuery)
- Guide students in building real-world projects
- Support students with coding problems and project development

Sunrise Institute – Training Coordinator 2024 – 2025
- Organized and managed school competitions and activities
- Supported and resolved student-related issues
- Coordinated communication between students and staff
- Monitored classroom activities and student progress
- Designed certificates and materials using Canva

RMA – Internship Web Developer
- Implatement Project School Management with odoov19
- Upgrade Version project RMAC odoo 19
- Pratice with github with team work
- Induction Training Program with team other department

Projects
- POS System (React + Laravel) RESTful API
- Built a complete web application with a backend API and database integration (Spring Boot / Node.js)
- Designed and developed APIs for web and mobile applications
- Mobile News App (Flutter)
- Created a mobile app that displays articles using API integration
- Machine Vendor & POS (Python - PyQt6)
